A Letter of Recommendation

To Whom It May Concern

REC Global we would like to express our great appreciation of cooperation and services from ARAW SA (Wroclaw investment agency).

We highly appreciate great quality of services, dedication, creativity, openness and constant support from the agency.

From our perspective it is very important to note that the support from ARAW is not limited only to the investment decision and its further processing but also extends to long years of business activity in Wroclaw Agglomeration.

I personally have had also very positive experiences with ARAW since year 2000 also as a representative of previous employers.

Kind regards,

Krzysztof Kulinski
